The Reading Group offers more than ever!

Everyone is welcome at The Reading Group; we offer services to individuals of any age, skill level, and in almost any subject area. Whether the student needs special attention for dyslexia or they simply want to get ahead for the ACT, we can serve those needs here.

Teachers use proven methods to help students enjoy learning, and address exactly what the individual needs to work on. Lessons are always one-on-one, and our teachers are highly specialized instructors who enjoy their work.

Help is available in the areas of reading, writing, speech/language, learning disabilities, math, science, social studies, and English as a second language.

Who should attend? Some signs to look for may be students who exhibit: attention problems, difficulty with writing, study skills, phonics, comprehension or spelling, slowness in reading, handwriting problems, passivity in the classroom, or giftedness, dyslexia, or other unique learning needs. Anyone is welcome, however, to utilize our services.

- Scholarships are available to students that show academic and financial need. Visit our website or stop by our office to pick up an application.
- We are located in Lincoln Square Mall in Urbana, as well as on Washington Street in downtown Monticello.
- The Reading Group has been approved by the Illinois State Board of Education as a Supplemental Education Services (SES) provider for the Champaign-Urbana and Decatur school systems. This means tutoring during the school year, at no cost to parents beyond transportation to The Reading Group.
